It has been the greatest honor for me to stay as Foreign Exchange Student in your high school. This great experience shall be a wonderful and unforgettabe memory in my life.

The past relationships between our two nations has been darkened by two terrible wars, but our future will be bright and shiny.

Therefore, I didn't only come over to learn about America or the American ways; I came also to make friends with you in order to further relations between our nations. You couldn't have made it easier for me. I leave your country with more than money or gold can buy, I leave it with many new friendships.

Thank you all very much, Aufwiedersehen.

**Coach Chet Bowser**

This year's Seaside Seagull football team won its sixth Cowapa League Championship in as many years. It finished the 1961 season with a 10-1 win-loss record. The Gulls won all nine of their league games. This year they played Yamhill-Carlton in the quarter-finals of the state playoffs and defeated them 23-0. The Gulls were defeated in their semi-final round by Myrtle Point 39-7.

A great deal of the Gulls' success can be attributed to Chet Bowser, head coach, and his assistant, Steve Johnson. In their second year as head football coaches, Bowser and Johnson have compiled a record of 20 wins and 2 losses.

Congratulations on a fine season, Gulls.
